DBA In Business Consultation

Program Overview

The Business Consultation DBA is designed for professionals seeking advanced expertise in organisational problem-solving and strategic advisory work. The program blends high-level business theory with practical consulting tools used in global industries. Delivered flexibly in English, it allows students to study onlinewhile continuing their careers. Coursework covers leadership, strategic management, research methods, and consulting frameworks. The degree culminates in a doctoral research project focused on a real business challenge. Graduates emerge prepared to offer evidence-based solutions and drive impact as trusted business advisors.
