MBA In Strategic Economic Leadership

Program Overview

The MBA in Strategic Economic Leadership develops the ability to lead organisations through data-driven financial and economic insight. The program combines Accounting for Decision Making and Economics for Decision Making to strengthen strategic thinking and analytical skills. Students learn how to interpret financialdata, evaluate economic trends, and make informed decisions that create sustainable value. By merging leadership development with economic strategy, this program equips graduates to navigate uncertainty and drive organisational growth in an evolving global economy
