

BE PART OF THE VISION

**Bachelor of Business Administration
(BBA)**

 9200 32654

Program Overview

Pursuing an internationally accredited online bachelor's degree is a strategic move for anyone looking to grow in Saudi Arabia's fastevolving market.

This program is designed with flexibility for working professionals, allowing them to progress academically at their own pace while pursuing their careers.

Built on global academic standards, the curriculum covers core subjects such as Principles of Management, Business Mathematics, Organizational Behavior, Marketing, and Strategic Management.

Students also gain solid foundations in:

- ✓ Human Resource Management
- ✓ Management Information Systems
- ✓ Business Law

In addition to applied areas like:

- ✓ Financial Accounting
- ✓ Business Statistics
- ✓ Professional Ethics

Through this combination of theory and practice, learners develop strong analytical skills, practical business insight, and the adaptability needed to succeed in today's competitive environment. With rising demand for qualified talent in the Kingdom, an internationally recognized bachelor's degree strengthens professional credibility, opens doors to more competitive opportunities, and supports career growth aligned with Saudi Arabia's ambitious Vision 2030.
