About the Dual Accredited Degree

In collaboration with IBAS, Vern University Our MBA program is designed for ambitious professionals who aspire to lead with confidence, make data-driven decisions, and shape the future of business. Through a unique global partnership between IBAS and VERN' University , this program delivers an internationally recognized qualification that combines academic excellence with practical business insights.

Program Overview

The MBA in Banking and Finance provides students with the expertise to manage financial institutions and investment portfolios in a dynamic global economy. Through modules such as Investment, Asset and Portfolio Management and Credit Analysis, the program builds advanced skills in risk assessment, capital allocation, and financial strategy. Students learn to evaluate market opportunities, optimize portfolio performance, and ensure sound credit practices. Graduates are prepared to take on leadership roles in banking, corporate finance, and investment management with confidence and analytical precision.
