About the Dual Accredited Degree

In collaboration with IBAS, Vern University Our MBA program is designed for ambitious professionals who aspire to lead with confidence, make data-driven decisions, and shape the future of business. Through a unique global partnership between IBAS and VERN' University , this program delivers an internationally recognized qualification that combines academic excellence with practical business insights.

Program Overview

The MBA in Healthcare Management equips professionals with strategic and operational skills essential for leadership roles in the healthcare sector. The program blends core business disciplines with specialized healthcare knowledge, addressing global healthcare challenges, policy, and ethics. Students explore hospital administration, health economics, and quality management systems. Designed for current or aspiring healthcare managers, it bridges theory and practical application. Graduates are prepared to lead improvements in healthcare delivery and organizational performance.
